CORE CAPABILITIES

Everything Your Sales Team Needs — Automated

One platform replaces a full sales team's manual work — generating, qualifying, and closing leads at scale.

Google Maps Lead Scraper

Automatically discovers real businesses in any city and category from Google Maps.

✓ Any city — Jaipur, Lucknow, Delhi, Mumbai

AI Lead Scoring Engine

Machine learning model scores every lead from 0-100 so you never waste time on cold contacts.

- ✓ Any industry — Solar, Hospitals, Clinics, Coaching
- ✓ Extracts Name, Phone, Website, Rating, Reviews
- ✓ 500+ verified leads per session
- ✓ Duplicate detection & deduplication

- ✓ Scores based on reviews, ratings & completeness
- ✓ Hot 🔥 / Warm 🌡️ / Cold ❄️ classification
- ✓ Priority queue — best leads first
- ✓ Smart segment tagging by industry
- ✓ Tracks historical engagement signals

WhatsApp Auto-Outreach

Sends personalized WhatsApp messages to hundreds of leads — automatically, safely, legally.

- ✓ Custom message templates per industry
- ✓ Personalized with business name & city
- ✓ Smart delay & human-like timing
- ✓ Delivery tracking & status dashboard
- ✓ Auto-retry on failed sends

CRM Pipeline & Funnel

Full visual sales pipeline — track every lead from discovery to closed deal.

- ✓ Kanban-style drag-drop pipeline
- ✓ New → Contacted → Interested → Closed stages
- ✓ Revenue attribution per source
- ✓ Deal value & commission tracking
- ✓ Notes, follow-up reminders, tags

Campaign Analytics Hub

Real-time dashboards showing exactly what's working and what's not — by city, industry, message.

- ✓ Response rate & conversion tracking
- ✓ City-wise & industry-wise performance
- ✓ Best-performing message templates
- ✓ Revenue attribution reports
- ✓ CSV export for any data

AI Conversation Demos

Show your clients exactly what the AI agent will sound like with industry-specific WhatsApp simulators.

- ✓ 🌞 Solar (PM Surya Ghar subsidy calculator)
- ✓ 🎓 Coaching (ASAT scholarship simulator)
- ✓ 🏥 Healthcare patient intake flow
- ✓ Customizable for any industry
- ✓ Client-facing demo link shareable

Gmail & Telegram Integration

Multi-channel outreach — WhatsApp, Email, and Telegram from a single platform.

- ✓ Gmail OAuth connected send
- ✓ Telegram bot for instant notifications
- ✓ Channel-wise delivery tracking
- ✓ Sequence campaigns (Day 1 WA → Day 3 Email)
- ✓ Unsubscribe & compliance handling

Security & Access Control

Role-based login — admin controls everything, staff sees only what they need.

- ✓ Admin / Staff role separation
- ✓ Settings hidden from non-admins
- ✓ Session-based secure authentication
- ✓ API key protection
- ✓ Activity log & audit trail

Segments Hub

Organize leads into smart segments by city, industry, score, status — then launch targeted campaigns.

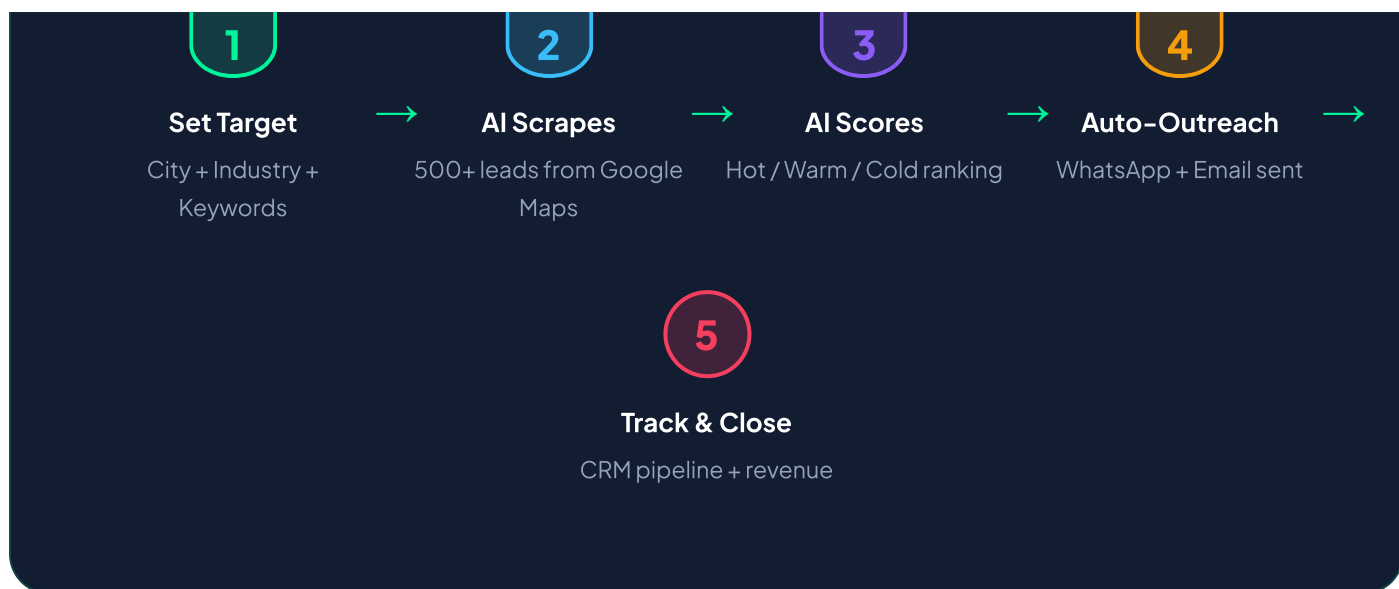

- ✓ Multi-filter dynamic segmentation
- ✓ Save segments for reuse
- ✓ Bulk tag, export, or outreach per segment
- ✓ Smart suggestions based on patterns
- ✓ Works across thousands of leads instantly

HOW IT WORKS

5-Step Automated Lead Machine

From zero to 500 qualified contacts in your CRM — all in under 10 minutes.

USE CASES

Who Uses LeadFlow AI?

Any business that needs a consistent flow of qualified leads — without hiring a large sales team.

Solar Panel Companies

Find homeowners & businesses in any city, auto-calculate PM Surya Ghar subsidy (₹78,000), and qualify leads by roof type & monthly bill. Close ₹2–5 lakh deals on autopilot.

Coaching Institutes

Run ASAT scholarship simulations, capture IIT-JEE / NEET student leads, book offline demo class seats — all via WhatsApp AI chat. Fill every batch months before admission.

Hospitals & Clinics

Target specialty clinics in your city, send personalized health-tech outreach, and qualify appointment-ready patients. Works for dental, orthopedic, eye care, and more.

Real Estate & Builders

Scrape property dealers, architects, and contractors from Google Maps. Auto-send project brochures via WhatsApp and track inquiries in the CRM.

Restaurants & Hotels

B2B outreach to catering, event venues, and hospitality businesses. Offer software,

IT & Digital Agencies

Find 500 small businesses with no website or poor Google presence — and pitch your

supplies, or service contracts with auto-personalized WhatsApp messages.

services automatically with tailored outreach per business category.

Pharma & Medical Supplies

Map all chemists, hospitals, labs & diagnostic centers in a territory. Build a cold-call list, send product intro on WhatsApp, and track follow-ups in the pipeline.

Gyms, Spas & Wellness

Target corporates for bulk memberships or run B2C campaigns to gyms offering digital membership management software. Full campaign analytics included.

WHAT CLIENTS SAY

Real Results. Real Businesses.

Businesses across Jaipur, Lucknow, and Delhi are already using LeadFlow AI to grow faster.

"We got 400 solar leads in Jaipur in 2 days. The WhatsApp messages were so personalized — people thought it was a human. We closed 3 deals in the first week itself."

Rajesh Sharma

Solar Installation Company, Jaipur

"The coaching AI demo blew our admission team's mind. Students actually respond on WhatsApp! We booked 28 demo class seats in the first campaign."

Priya Gupta

Director, Career Coaching Institute,
Lucknow

"Earlier we spent ₹40,000/month on a 3-person sales team. Now LeadFlow AI does 10x the work for ₹12,000/month. The ROI is insane."

Dr. Amit Verma

Nisha Health Care, Lucknow
